OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

**1. Policy on Selection of the Board of Directors**

**1.1. Overview of the Election Process**

In compliance with the OISRAN Bylaws, nominees for the Board of Directors are elected by the voting members prior to the Annual Meeting held in the spring each year. Directors will serve two-year terms, which are staggered; and there is no limit to the number of terms, successive or otherwise, a director may serve. Two board members (Positions 1 and 2) will be affiliated with Southern League; two board members (Positions 3 and 4) will be affiliated with Northern League; one board member (Position 5) will be affiliated with Mt. Hood League, and **one board member will be a member at-large (Position 6). The member at large does not represent a specific league.** Each spring the Leagues select nominees for the open Board **positions affiliated with their Leagues, and the nominee for the member at large is also selected if that position is open.** The nominees' names are placed on a ballot, and the full membership of OISRAN votes for the Board members, using that ballot.

**1.2. Nomination of Candidates for the Board of Director**

1.2.1. Nomination of candidates for the Board of Directors may be made by any voting member, League official, Board director, or OISRAN officer.

1.2.2. In compliance with Article IV, Section 3 A of the Bylaws, nominees for Board of Directors must be affiliated with a league or a team, as a coach, advisor, parent, or volunteer.

1.2.3. A call for nominations will be sent by the Executive Director to League Presidents no less than 28 days prior to the annual Spring Board meeting. The call for nominations may be sent by mail, email or other means that will reach all League Presidents. Email will be used in most cases. The call for nominations must include the deadline for submissions.

1.2.4. Each League President must contact the nominee from their league to confirm that, if elected, they consent to serve as a member of the Board of Directors. **The Executive Director will contact any nominees for the member at large position to confirm that, if elected, they consent to serve as a member of the Board of Directors.** No nominee will be included on the ballot without his or her written consent to be a nominee.

1.2.5. Each League President will decide a process for selecting the designated nominee to fill the allotted open position on the Board and will send the Executive Director, in writing, the nomination from their League 14 days prior to the annual Spring Board meeting. The League President will include the name, telephone number, and email address of the League's nominee.

**1.3. Election by Ballot**

1.3.1. Nominees will be voted on by written ballot as provided for in the Bylaws, unless the Board expressly approves another legal method prior to delivery of ballots.

1.3.2. Ballots will be delivered by email or mail to each voting member no less than 10 days prior to the annual Spring Board meeting.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

1.3.3. The ballot shall include

- The number of open positions
- First and last names of all confirmed nominees
- The number of responses needed to meet quorum requirements: a majority (50% plus one) of the then current number of votes allowed to the voting members.
- The affirmative vote of at least a majority of the votes allowed to the voting members who voted by written ballot.
- Instructions for delivery of completed ballots, which may include email, mail, or hand-delivery.

**1.4. Tabulation of Votes**

1.4.1. Votes shall be counted by the Executive Director and be verified by the current Board president. If any discrepancies are discovered, the Executive Director and Board President shall investigate with the goal of ensuring that each voting member's votes are accurately obtained and counted. In the event of any dispute, the Board President may appoint a committee of disinterested Board Members to review the votes, verify the count and conduct any investigations necessary.

**1.5. Announcement of Results**

The results of the vote for nominees to the Board of Directors will be announced at least 7 days prior to the annual Spring Board meeting by the Executive Director.

**2. Duties of OISRAN Directors and Officers**

In addition to the authority and responsibilities of the Board of Directors as described in the OISRAN Bylaws (Article V, Section 1), any actions taken by members of the Board of Directors on behalf of the OISRAN shall be reported in writing within three days to the full Board. Significant actions or expenditures require that the entire Board of Directors has granted such authority to the director or officer.

- 16.3. Considerations of individual exceptions to the participation requirements, other than injury, require a written request be made to the Executive Director.
- A written request must be submitted at least two (2) weeks prior to the State Championships
  - The Executive Director, in individual cases, may, at their discretion, and upon terms and conditions as they may impose, waive or modify the participation requirement when in their opinion there are circumstances beyond the control of each of the student and the student's parent(s), or other circumstances whereby enforcement of the requirement would work an undue hardship upon the student.
  - A decision by the Executive Director may be appealed to the OISRAN Board of Directors.
- 16.4 Considerations of exceptions to the participation requirements that would apply to all members of a team or League must be addressed by the Board.
- 16.5. EXCEPTION: Guest Racers and Provisional Skiers are not required to have competed in any league races.

**17. Guest Coaches/Skiers' Participation in OISRAN Events**

- 17.1. Guest Coaches and Guest Skiers may participate in OISRAN League races or the State Championships with the approval of the League Coaches or the OISRAN Board, respectively.

- 17.3. Guest Skiers are students who are coached by a "Guest Coach."

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

17.4. A Guest Skier is required to:

- Register online and pay the required fee,
- Be accompanied by a designated Guest Head coach. (In addition to the designated Head Coach, a guest racer may also be accompanied by a Guest Helper Coach.)

17.5. A guest skier may be enrolled in schools from states other than Oregon.

17.6. A guest skier's scores may not displace non-guest racers' scores, and a guest skier may not receive league or State Championship titles.

17.7. If a guest skier competes in a **League event**, their results are ranked with the rest of the field, even though their scores do not displace non-Guest individual racers' points.

- They can compete with other guest skiers on a League varsity relay team, even though their scores do not displace non-Guest relay points.

17.8. If a guest skier competes in the **State Championship event**,

- their results will be ranked in the same category as the Provisional Skiers at the State Championships.
- they do not displace full season skiers' individual varsity placement points.
- they cannot compete on a State Championship varsity relay team, but they can compete on a JV relay team.

17.9. The dues for a Guest Coach and participation fees for a Guest Skier are determined by the OISRAN Board of Directors.

**18. Violations of OISRAN Regulations (OISRAN Bylaws; OISRAN Race Rules; OISRAN Policies, including Coaches' Code of Ethics, Paid State Meet Race Officials' Code of Ethics) – Protests and Reported Violations [See Policy 23 for Reporting Violations of OISRAN Policies regarding Abuse/Molestation, Hazing, and Reporting Abuse.]**

18.1. A coach, League President, or race official wishing to have another OISRAN coach, or OISRAN officer, or paid race official penalized for the violation of OISRAN regulations shall file a written notice of protest specifying the grounds of the protest with the Executive Director. The notice shall be filed without delay after the alleged violation has occurred, and unreasonable delay may be considered a factor in ruling on any protest. Reported violations may be initiated by the Executive Director or by the OISRAN Board, without the signature of a coach or a League President.

18.2. The Executive Director shall notify the accused coach, officer, or paid race official of the protest, and after such further investigation as the Executive Director deems necessary, shall either make a ruling on the protest or refer it to a three-member disciplinary panel, selected by the OISRAN Board, who shall further investigate the protest. This panel shall not include the Executive Director, Administrative Officer, or OISRAN Board members, but may include the league President for the coach.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

18.3. Any parent or student, coach, league rep, or race official may appeal to the OISRAN Board from a ruling of the Executive Director on a protest by giving the Executive Director written notice of such appeal within 10 working days of the Executive Director's ruling. Failure to give such notice shall be a waiver of the right of appeal.

18.4. Any parent or student, coach, league rep, or race official may appeal to the OISRAN Board from a ruling of the three-member disciplinary panel by giving the Executive Director written notice of such appeal within 10 working days of the three-member disciplinary panel's ruling. Failure to give such notice shall be a waiver of the right of appeal.

**19. Violations of OISRAN Regulations (OISRAN Bylaws; OISRAN Policies, including Coaches' Code of Ethics, Paid State Meet Race Officials' Code of Ethics) - Penalties [See Policy 24 for Penalties for Violations of OISRAN Policies regarding Abuse/Molestation, Hazing, and Reporting Abuse.]**

19.1. Upon a ruling by the Executive Director, the three-member disciplinary panel, or the OISRAN Board, the OISRAN Board may impose any form of penalty set forth in Rule 19 that the OISRAN Board finds appropriate to deter such conduct and assure fair treatment, protection and favorable conditions for all member coaches, paid race officials and participants. A school is not subject to penalties based on the conduct of an employee who is an OISRAN member coach or on the conduct of team members.

19.2. A team supervised by a member coach may be subject to penalties under Rule 19 based on the conduct of the team members or on the conduct of the coach.

- Probation: When a team is on probation, probation shall be a factor in determining the penalty for any violation during probation.
- Forfeiture of meets, championships, titles, awards, or the right to participate in such meets or championships as the Board may direct.
- Fines in the amounts as the OISRAN Board may determine.
- Upon a ruling by the Executive Director or the three-member disciplinary panel that a coach who has not completed the required coaches' training courses is coaching students in a meet or championship, the team shall be subject to penalties as determined by the OISRAN Board. Likewise, if students are being supervised in a meet or championship by an uncertified coach without a certified coach present, the team shall be subject to penalties as determined by the OISRAN Board.
- The OISRAN Board may direct that any or all penalties provided in this Section are to be imposed only if certain conditions are not met, or that any such penalties are to be relieved if certain conditions are met.

19.3. A coach may be subject to penalties under Rule 19 based on the coach's conduct.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES

19.4. An OISRAN team is not penalized if the Executive Director or OISRAN Board determines a student is ineligible. That student's race results are deleted from any race results for races in which that student participated during the student's ineligibility.

## **20. OISRAN Abuse/Molestation Guidelines**

OISRAN does not tolerate abuse or molestation in any form by any individual. Please refer to the OISRAN Abuse/Molestation Guidelines in [Appendix B](#).

## **21. Reporting of Abuse**

### **21.1. Mandatory Reporting for Certified Coaches**

21.1.1. All OISRAN Certified Coaches are required to report child abuse if they have reasonable cause to suspect child abuse.

- See [Appendix B](#) for definitions of child abuse: neglect, physical, emotional, and sexual
- OISRAN Certified Coaches must watch their students for changes in behavior, notice physical symptoms and signs, and notice signs of bullying, which may include a drop in performance, behavioral changes, mood swings, reluctance to train/compete, frequent loss of possessions, physical injuries (bruising, scratches, etc.), poor sleep, loss of appetite/weight
- OISRAN Certified Coaches must also report suspected abuse regardless of whether or not the knowledge of the abuse was gained in the coach's official capacity as an OISRAN coach. In other words, mandatory reporting of abuse of children is a 24-hour obligation.

21.1.2. If OISRAN Certified Coaches notice signs of abuse, they are obligated to follow the process defined in ORS 419 B.015

- They must immediately make a phone call to the Department of Human Services (Child Protection Agency) or law enforcement (police, county sheriffs' offices, Oregon State Police) – not required to call both.
- The oral report shall contain, if known, the names and addresses of the child and the parents of the child or other persons responsible for care of the child, the child's age, the nature and extent of the abuse, including any evidence of previous abuse, the explanation given for the abuse and any other information that the person making the report believes might be helpful in establishing the cause of the abuse and the identity of the perpetrator.
- If someone is being hurt or is in danger, call 911 immediately.
- A link to phone numbers for reporting in Oregon is posted on the OISRAN website homepage.

21.1.3. Some schools have an internal protocol for volunteers to report abuse to an administrator at school, and it is advisable to follow that protocol. However, making a report to the school does not

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

relieve the Certified Coach from the obligation of the OISRAN Policy to report by making a phone call to the DHS or law enforcement.

21.1.4. If the person suspected of abusing a child is an OISRAN coach, league rep, race official, or anyone associated with OISRAN, OISRAN has an internal protocol for reporting these abuse incidents to the Executive Director (Policy #23). However, making a report to the OSIRA Executive Director does not relieve the Certified Coach from the obligation of the OISRAN Policy to report by making a phone call to the DHS or law enforcement.

21.1.5. It is advisable for the Certified Coach to make written notes for their own record-keeping in case they are asked to remember what they said in the oral report.

21.1.6. If an OISRAN Certified Coach is paid by a school for coaching a ski team, they have the obligation as a paid school coach to report abuse as a “mandatory reporter” through the Oregon Department of Human Services or law enforcement agencies. This OISRAN Certified Coach is not required to make a second report about the same incident of abuse to these same agencies but is required to make a second report if the OISRAN Certified Coach believes any subsequent incident of abuse has occurred.

21.1.7. If an OISRAN Certified Coach is also a US Ski and Snowboard coach, they have the obligation to report abuse through the United States Center for Safe Sport Authorization. This US Ski and Snowboard Coach is required to make a second report about the same observed abuse through the Oregon Department of Human Services or law enforcement agencies.

**21.2. Instructions for Helper Coaches**

21.2.1. All OISRAN Helper Coaches are required to verbally report suspected child abuse to the coach who is supervising them.

21.2.2. It is optional if a Helper Coach wants to also report to Oregon Department of Human Services or law enforcement agencies if they have reasonable cause to suspect child abuse.

21.2.3. If the person the Helper Coach suspects of abusing a child is an OISRAN coach, league rep, race official, or anyone associated with OISRAN, OISRAN has an internal protocol for a Helper Coach to report these incidents to the Executive Director (Policy #23).

**22. Anti-Hazing Policy**

22.1. Hazing is willful conduct directed at a student that is intended to physically or emotionally intimidate, punish, embarrass, humiliate, ridicule or place any student in a disconcerting position for the purpose of initiation, affiliation, inclusion or membership in any team or organization.

22.2. The OISRAN believes that hazing has no place in a youth activity program and poses a significant risk to the physical and mental welfare of students. Hazing obstructs the development of good citizens, escalates the risks of participation, negates positive contributions, and destroys respect for self, others and the environment. Students participating in youth activity programs have a right to be safe and free from hazing.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

22.3. All Certified OISRAN coaches are required to complete the NFHS “Bullying and Hazing” course and must take an active role in the prevention of all forms of hazing by adopting and enforcing strict anti-hazing rules for their teams.

22.4. OISRAN prohibits hazing and any student, parent, community member, or coach is encouraged to report incidents of hazing according to procedures described in [Policy #23](#).

22.5. Oregon Law (ORS 163.197) describes what the legal violation is when an organization or a member of an organization commits the offense of hazing and defines the legal punishment for these types of violations. All OISRAN certified and helper coaches acknowledge they have read this law. [Policy #24](#) describes the OISRAN penalties for hazing.

**23. Reporting Violations of “Good Practice,” Reporting Abuse, and Anti-Hazing**

23.1. In addition to any coach, League President, or race official, any student, parent, or community member may report incidents of suspected violations of “Good Practice” as outlined in “OISRAN Abuse/Molestation Guidelines” (Appendix B), and/or violations of the OISRAN Policy for Reporting Abuse ([Policy #21](#)), and/or violations of the OISRAN anti-hazing policy ([Policy #22](#)) if such incident involves a coach, league rep, race official, or anyone associated with OISRAN. All such reports must be submitted in writing and shall indicate the suspected violator and suspected victim. All such reports shall be submitted directly to the Executive Director without delay after the alleged violation has occurred. Any and all such reports shall be handled with the utmost confidence and the identity of any reporter shall be withheld and kept anonymous.

- A report to the OISRAN Executive Director, pursuant to Section 23.1, shall not relieve an OISRAN Certified Coach from their mandatory reporting duty as set forth in [Policy #21](#), which requires all OISRAN Certified Coaches to report child abuse to the Oregon Department of Human Services or law enforcement agencies if they have reasonable cause to suspect child abuse.

23.2. Upon receiving a report of suspected violations of “Good Practice” as outlined in “OISRAN Abuse/Molestation Guidelines” (Appendix B), and/or violations of the OISRAN Policy for Reporting Abuse ([Policy #21](#)), and/or violations of the OISRAN anti-hazing policy ([Policy #22](#)), the Executive Director shall determine if such incident constitutes a violation of criminal law (engaging the services of a competent attorney if necessary to make such determination) or a non-criminal violation of OISRAN policies.

23.3. If a report is determined to constitute a violation of criminal law, the Executive Director will promptly report the incident to the appropriate law enforcement officials. Upon reporting the incident to law enforcement officials, the Executive Director will take no action unless lawfully directed to do so by law enforcement officials. Notwithstanding the foregoing, the Executive Director shall immediately hire a competent criminal defense attorney to represent OISRAN and will take and maintain notes and files on all interagency communications and actions in connection with the incident and which occur thereafter.

- It shall be a violation of this policy, and subject to the penalties of [Policy #24](#), if any coach, league rep, race official, or anyone associated with OISRAN fails to cooperate in any manner with law enforcement officials in connection with a reported incident hereunder.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

- Upon the conclusion of any investigation, court proceeding, or other law enforcement action, OISRAN shall conduct its own investigation, truncated or otherwise. The Executive Director shall notify the accused coach, officer, or paid race official of the reported complaint, and after such further investigation as the Executive Director deems necessary, shall either make a ruling on the complaint or refer it to a three-member disciplinary panel, selected by the OISRAN Board, who shall further investigate the complaint. This panel shall not include the Executive Director, Registrar, or OISRAN Board members, but may include the league President for the coach.

23.4. If a report received by the Executive Director is determined to constitute a non-criminal violation of OISRAN policies “Good Practice” as outlined in “OISRAN Abuse/Molestation Guidelines” and/or a violation of OISRAN Policy for Reporting Abuse (Policy #21), penalties shall be imposed in accordance with Policy #24.

23.5. During any OISRAN investigation, and even after the matter is final, the following behavior may be considered misconduct and subject to the penalties of Policy #24:

- Abuse of Process: Direct or indirect abuse of or interference with OISRAN investigations by (a) falsifying, distorting, or misrepresenting information; (b) destroying or concealing information prior to or during an investigation; (c) attempting to discourage an individual’s proper participation in or use of OISRAN’s investigation; (d) harassing or intimidating (verbally or physically) any person involved in OISRAN’s investigation before, during, and/or after an investigation; (e) publicly disclosing a reporting party’s identifying information; (f) failing to comply with Policy #24.1’s suspension and banishment; or (g) influencing or attempting to influence another person to commit abuse of process.
- Failure to Report: Any mandatory reporter under Policy #21 failure to make a required report as set forth in Policy #21;
- Intentionally Making a False Report: Any reporter who is found to have made a false report intentionally, knowingly, or maliciously without regard for truth.

23.6. Materials created or produced in any OISRAN investigation in accordance with this Policy # 23 shall be marked and kept confidential on a need to know basis only, shall not be disclosed outside of such investigations or proceedings, and shall only be disclosed as required by law.

**24. Penalties for Violations of “Good Practice,” Reporting Abuse, and Anti-Hazing.**

24.1. Upon the Executive Director receiving a report of an incident of a suspected violation of “Good Practice” as outlined in “OISRAN Abuse/Molestation Guidelines” (Appendix B) and/or violations of the OISRAN Policy for Reporting Abuse (Policy #21), and/or violations of anti-hazing policy (Policy #22), involving a coach, league rep, race official, or anyone associated with OISRAN, the suspected coach, league rep, race official, or person associated with OISRAN shall be immediately suspended and banned from all OISRAN facilities and events until conclusion of an appropriate investigation and imposition of a penalty, if any.

- If a matter is criminal in nature, the suspension and banishment of Policy # 24.1 shall continue through any investigation, court proceeding, or other law enforcement action.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

24.2. Any judgment or ruling, in court or otherwise, against a coach, league rep, race official, or person associated with OISRAN shall be conclusive evidence of the coach, league rep, race official, or person associated with OISRAN's violation of OISRAN policies. Notwithstanding the foregoing, a dismissal of any investigation, court proceeding, or other law enforcement action that does not result in a judgment or ruling against the suspected coach, league rep, race official, or person associated with OISRAN, shall not operate as conclusive evidence of such person's innocence in relation to a violation of OISRAN's policies, and OISRAN reserves the right to impose any penalty it deems fit pursuant to this [Policy #24](#).

24.3. Upon a ruling by the Executive Director or the three-member disciplinary panel, or the OISRAN Board, the OISRAN Board may impose any form of penalty set forth in this [Policy #24](#) that the OISRAN Board finds appropriate to deter such conduct and assure fair treatment, protection, and favorable conditions for all coaches, league reps, race officials, students, and/or persons associated with OISRAN. All penalties imposed hereunder shall be imposed solely against the accused individual.

24.4. An accused individual under [Policy #24](#) may be subject to the following penalties, which may be imposed singularly or in conjunction:

- Indefinite or permanent suspension;
- Probation for a period of time as determined by the OISRAN Board;
- Fines in an amount as the OISRAN Board may determine;
- Public reprimand by statement issued by the OISRAN Board;
- Mandatory educational or behavior programs as directed by the OISRAN Board;
- Loss of privileges as determined by the OISRAN Board;
- Written warning issued privately to the accused individual;
- Any other penalty, whether broader or lesser than the penalties described herein, the OISRAN Board deems appropriate given the facts and circumstances of the accused individuals' offenses hereunder.

24.5. Factors relevant to determining appropriate penalties include, without limitation:

- Seriousness of the violation;
- The accused individual's prior history;
- The ages of all individuals involved;
- Whether the accused individual poses an ongoing threat to the safety of others;
- Voluntary disclosure of violation and/or cooperation by the accused individual;
- Disposition of an investigation by law enforcement officials;
- Real or perceived impact of the incident to the accused individual's victim or to OISRAN;
- Any other mitigating and/or aggravating circumstances.

## **25. Whistleblower and Non-Retaliation Policy**

**25.1. General.** OISRAN requires directors, officers, employees, and volunteers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

employees and representatives of OISРАН we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

25.1.1. In addition to the requirements of this policy, all employees and representatives are encouraged to call attention to, in a positive and non-confrontational manner, practices or specific actions which do not reflect the high ethical standards of OISРАН.

**25.2. Reporting Responsibility.** It is the responsibility of all directors, officers, employees, and volunteers to comply with and to report violations or suspected violations of any local, state or federal laws or regulations.

**25.3. No Retaliation.** No director, officer, employee, volunteer, or contractor who in good faith reports a violation or suspected violation of any local, state or federal laws or regulations shall suffer harassment, retaliation or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within OISРАН prior to seeking resolution outside of OISРАН.

25.3.1. Retaliation includes any harmful action, interference with the lawful employment or livelihood, discharge, demotion, suspension, any manner of discrimination with regard to promotion, compensation or other terms, conditions or privileges of employment.

**25.4. Reporting Violations.** Directors, officers, employees, and volunteers should share their questions, concerns, suggestions, or complaints with someone who can address them properly. Therefore, reports of violations or suspected violations of any local, state or federal laws or regulations should be made to the most appropriate person within OISРАН’s organizational hierarchy including the Board of Directors.

25.4.1. Additional reports to that person or any other person should generally not be made unless the reporter reasonably believes that the process for investigation and response provided in [Policy #25.5](#) is not being followed.

25.4.2. A sample list of appropriate persons to report to is provided below. When in doubt, reports should be made to the Executive Director or President of the Board of Directors.

- The reporting employee’s or volunteer’s supervisor.
- The program director or OISРАН manager in charge of the area in which the violation has occurred or is suspected.
- The Director of Human resources or the Chief Financial Officer (if the matter relates to accounting or finance issues) or other similar employees that OISРАН may employ at the time of the Report.

(October, 2023)

- The Chair of another member of the Audit or Finance Committee if the matter relates to accounting or finance issues.
- Any Director.
- An appropriate regulatory body such as the IRS or the Department of Justice.

**25.5. Handling of Reported Violations.** All reports will be promptly investigated, and appropriate corrective action will be taken if warranted by the investigation. The following process will be used:

25.5.1. The person to whom the report has been made will immediately contact the Executive Director, who will notify the Board President.

25.5.2. If it is not appropriate to contact the Executive Director or Board President because they are involved in the violation and is therefore not likely able to handle the investigation objectively, the remaining impartial members of the Board will be notified and will proceed with this process in place of the Board President and/or Executive Director.

25.5.3. The Board President and Executive Director will notify the reporter and acknowledge receipt of the report within 5 business days if possible.

25.5.4. The Board President and Executive Director will convene a meeting of the Board to determine the proper course of investigation. The Board may delegate the investigation to an appropriate standing or ad hoc committee including the audit or finance committee.

25.5.5. Within 30 days of the report, the Board or the delegated committee will complete its investigation and decide on appropriate corrective action if warranted by the investigation. Additional time may be needed in some cases.

25.5.6. The Board and Executive Director will inform the reporter of the results of the investigation and any corrective action that has been or will be taken.

**25.6. Acting in Good Faith.** Any good faith report, concern or complaint is fully protected by this policy, even if the report, question or concern is, after investigation, not substantiated. Anyone filing a complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of local, state or federal law or regulation.

25.6.1. The act of making allegations that prove to be unsubstantiated and that prove to have been made maliciously, recklessly, or with the knowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in discipline, up to and including dismissal from the volunteer position or termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.

**25.7. Confidentiality.** Upon the request of the complainant, OISRAN will use its best efforts to protect the confidentiality of the complainant for any good faith report. Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

**26. Lines of Communication:**

Communication procedures should be as follows:

- Racer and parent concerns should first be addressed to their respective coaches.
- Coach's concerns should first be addressed by the League President.
- League Presidents should communicate concerns to the OISRAN Board of Directors through the League liaison to the Board of Directors.

Violations of OISRAN Regulations (OISRAN Bylaws; OISRAN Policies, including Coaches' Code of Ethics, and Paid State Championship Officials' Code of Ethics) should be communicated to the OISRAN Executive Director as described in Policy #18.

Incidents of abuse/molestation, violations of "Good Practice" as outlined in "OISRAN Abuse/Molestation" (Appendix B), and/or a violation of OISRAN Policy for Reporting Abuse (Policy #21), and/or a violation of OISRAN anti-hazing Policy (Policy #22) should be communicated to the OISRAN Executive Director as described in Policy #23.

**27. Releasing of Student Identification Information Gathered by the OISRAN**

27.1. State and Federal law requires that student information considered to be "Education Records" be confidential. The information that the OISRAN, or any agent or agency of OISRAN (including all teams, leagues, committees, directors, officers, staff, volunteers, and committee members) request, and become holders of, contains such "confidential" information. OISRAN and all agents and agencies of OISRAN shall permanently hold all confidential information in strict confidence in perpetuity unless such information is essential for OISRAN or OISRAN's agents or agencies to properly and efficiently perform OISRAN's duties, or disclosure is required to meet a legal requirement.

27.2. All coaches and League Presidents are required to make certain that only the team name, the members names, their gender and age, are on any rosters provided to ski areas and other organizations commercial or non-commercial. No team rosters shall include any address or electronic communication information.

27.3. Should a ski area require more than the applicant's name, gender, and age on their individual indemnity release-forms, it is the parent's responsibility as to what further information they provide.

27.4. Any solicitations made to coaches or League Presidents for student information that may fall within the "Educational Records" description are to be referred to the School District official in charge of students' records.

27.5. All actions involving student information will adhere to the Oregon State Law ORS 336.184: Oregon Student Information Protection Act.

- ***An injury happens during a League Race and prevents the racer from completing the race.***

28.3. **Certified Coaches' responsibility:** Training or race incidents involving injury shall be reported to the OISRAN as per the OISRAN Incident/Injury report. Additionally, certified coaches must abide by the regulations in OAR 581-022-0421, regarding concussion awareness and determine when a student may return to training or racing after the diagnosis of a concussion.

28.4. **Leagues' responsibility:** All race accidents involving injury, either personal or property shall be reported to the OISRAN as per the OISRAN Incident/Injury report. Any incident involving a member of the general public that happens in or about the race arena and may be considered to be a liability risk, must be reported by the event Technical Delegate and confirmed by the League President. If a ski area, or state forest requires a report from a league official it is the responsibility of the League President to ensure that this report is copied to the OISRAN. (Executivedirector@oisran.org )

28.5. Discretion to fill out a report may be used when a child asks for first aid for minor injuries, requiring a band-aid or ice pack and TLC.

28.6. ALL incidents, whether reported or not, should be logged in a team's incident log with date, name of student, injury and first aid rendered. If there is some question whether an incident report is needed, please complete a report form.

28.7. Reports will be submitted within 72 hours to the OISRAN Executive Director using the OISRAN designated Incident Report form and emailed to Executivedirector@oisran.org or by using the preferred method of the OISRAN Online Incident reporting. This report is for all accidents/incidents occurring at team practices or OISRAN races. Reports will cover property damage as well as personal injury.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES

**29. Ski area indemnities and waivers**

No official of the OISRAN or of its affiliated member leagues and/or teams or coach or team administrator shall sign on behalf of another member of OISRAN or its leagues any indemnity or waiver that would purport to remove the rights of any individual associated with the OISRAN or its associated leagues and/or teams to seek redress through the courts.

**30. Lightning Safety Guidelines (adapted from "NFHS Sports Rules Books")**

30.1. These guidelines are a default policy for coaches responsible for making decisions concerning suspending and restarting practices and/or skiing events based on the presence of lightning or thunder. If a school has different guidelines, follow the school guidelines. [Any activities at a ski area will be suspended and restarted based on the ski area's decision to close trails and reopen them.]

30.2. Assign one person to monitor local weather conditions before and during practices and/or events.

30.3. Have an evacuation plan, identifying an appropriate nearby safe area.

30.4. Develop criteria for suspension and resumption of outdoor activities:

- When thunder is heard or a cloud-to-ground lightning bolt is seen, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for 30 minutes and take shelter immediately.
- 30-minute rule. Once practice/event has been suspended, wait at least 30 minutes after the last thunder is heard or flash of lightning is witnessed prior to returning to activity.
- Any subsequent thunder or lightning after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.

30.5. Inform student athletes of the lightning policy at the start of the season.

**31. Air Quality Guidelines (updated May, 2023).**

*These guidelines, created in consultation with the Oregon Health Authority (OHA) and the Oregon Department of Environmental Quality (DEQ), provide a default policy to those responsible or sharing duties for making decisions concerning the cancellation, suspension and/or restarting of practices and contests based on poor air quality.*

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES

(October, 2023)

**A. Designate Personnel:** *Given the random behavior of wind and air currents, air quality may change quickly. The team's Head Coach or certified coach in charge of the training session will monitor the air quality prior to and during outdoor activities. While typically due to wildfires, teams need to also consider non-wildfire situations if the air quality is unhealthy.*

**B. Areas with Air Reporting Stations:** *The Air Quality Index (AQI) should be monitored throughout the day, and during a training session, to have the best data possible to make informed decisions about conducting practices. The team's Head Coach or certified coach in charge of the training session shall review the AQI information for the area where the team will be training. Department of Environmental Quality (DEQ) website <https://oraqi.deq.state.or.us/home/map>, the Oregon DEQ app "OregonAir", the Environmental Protection Agency (EPA) Air Now website at <https://airnow.gov/> or the EPA's Fire and Smoke map at <https://fire.airnow.gov/> to determine if action is necessary (see chart below). Teams shall regularly review the AQI throughout the training session to assess deteriorating conditions.*

**C. Areas without Air Reporting Stations:** *Given the random behavior of factors related to the calculation of the AQI levels in different areas of the state (wind speed and direction) teams not near a DEQ reporting station should consult with local state and/or federal authorities to help determine the AQI level in your specific area. Teams in remote areas not near a DEQ reporting station may also refer to Purple Air monitors for monitoring air quality at <https://map.purpleair.com> The EPA's Fire and Smoke map at <https://fire.airnow.gov/> also includes the Purple Air monitors (DEQ monitors show as circles, Purple Air monitors show as squares.). If air monitoring equipment is not available, teams should utilize the 5-3-1 Visibility Index to determine air quality.*

**1) 5-3-1 Visibility Index:** *Making visual observations using the 5-3-1 Visibility Index is a simple way to estimate air quality and know what precautions to take. While this method can be useful, you should always use caution and avoid going outside if visibility is limited, especially if you are sensitive to smoke.*

**(a)** *Determine the limit of your visual range by looking for distant targets or familiar landmarks such as mountains, mesas, hills, or buildings at known distances. The visual range is that point at which these targets are no longer visible. As a rule of thumb: If you can clearly see the outlines of individual trees on the horizon it is generally less than five miles away. It is highly recommended that schools use pre-determined landmarks that were established on a clear day to determine their visual range.*

**(b)** *Ideally, the viewing of any distant targets should be made with the sun behind you. Looking into the sun or at an angle increases the ability of sunlight to reflect off of the smoke, thus making the visibility estimate less reliable.*

**(c)** *Be aware that conditions may change rapidly and always use the more conservative of multiple metrics (AQI, 5-3-1 Visibility Index, etc.).*

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

D. **Act:** This chart will help determine the action needed based on the air quality in your area.

Air Quality Index (AQI)	5-3-1 Visibility Index	Required Actions for Outdoor Activities
51 -100	5-15 Miles	<b>Athletes</b> who are unusually sensitive to air pollution should consider indoor activities only. Athletes with asthma should have rescue inhalers readily available and pretreat before exercise <i>if</i> directed by their healthcare provider. All athletes with respiratory illness, asthma, lung or heart disease should monitor symptoms and reduce/cease activity if symptoms arise. Increase rest periods as needed.
101 -150	3-5 Miles	<b>Athletes</b> who are unusually sensitive to air pollution should consider indoor activities only. Athletes with asthma should have rescue inhalers readily available and pretreat before exercise if directed by their healthcare provider. All athletes with respiratory illness, asthma, lung or heart disease should monitor symptoms and reduce/cease activity if symptoms arise. <b>Athletes with asthma or other lung diseases, heart conditions or diabetes may need additional rest breaks during practices / contests. Consider rescheduling to a different time and / or an area with a lower AQI. Schools should consider the impact of elevated AQI lasting for multiple days and the impact of prolonged exposure for athletes and staff on multiple practice session days when making decisions. Consider moving practices indoors , if available. Be aware that, depending on a venue’s ventilation system, indoor air quality levels can approach outdoor levels.</b>
151 -200	1-3 Miles	<b>All</b> outdoor activities (practice and competition) shall be canceled or moved to an area with a lower AQI. Move practices indoors, if available. Be aware that, depending on a venue’s ventilation system, indoor air quality levels can approach outdoor levels.
>200	1 Mile	<b>All</b> outdoor activities (practice and competition) shall be canceled or moved to an area with a lower AQI. Move practices indoors, if available. Be aware that, depending on a venue’s ventilation system, indoor air quality levels can approach outdoor levels.

**E. Additional Resources:** Teams may also refer to OHA’s fact sheet regarding School Outdoor Activities During Wildfire Events at <https://apps.state.or.us/Forms/Served/1e8815h.pdf>.

**F. Oregon Occupational Safety and Health Administration (OSHA) Rules:** Teams should familiarize themselves with Oregon OSHA permanent rules adopted in Summer 2022 regarding reducing heat and wildfire smoke outdoor workplace exposure for employees. OSHA resources can be accessed here for Heat – <https://osha.oregon.gov/Pages/topics/heat-stress.aspx> and Wildfires <https://osha.oregon.gov/Pages/topics/wildfires.aspx>

33.7 Distributing Funds: The Executive Director is authorized on a standing basis to distribute funds received as donations to teams or leagues as appropriate.

**34. Fundraising Policies**

**34.1. Purpose:** The purpose of this policy is to establish guidelines for soliciting charitable gifts in a concerted, effective, ethical, and professional manner.

**34.2. Roles and Responsibilities**

34.2.1. **Board of Directors.** The Board of Directors of Oregon Interscholastic Ski Racing Association Nordic, OISLAN, has overall responsibility for establishing policies and direction for the organization’s fundraising programs including campaign planning. The Board has final authority to accept or decline all gifts and oversee management of gift assets.

34.2.2. **Finance Committee.** The Board of Directors can designate a Finance Committee to provide direct oversight of the management of funds and the development of policies related to the organization’s financial health and sustainability, including gift acceptance policies. The Finance Committee is also designated by the Board to conduct initial review of proposed gifts and present its recommendation for acceptance or decline of gifts to the Board. The Finance Committee may invite additional Board members or staff who are not regular members to provide input as to the acceptance of gifts.

- The Finance Committee Chair shall have a term of 2 years, and all other committee Members shall have terms of one year. The Board of Directors will reappoint committee members at the end of their terms.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

**34.3. Development of Fundraising Plans.** The Fundraising Committee shall collaborate with staff to set and implement annual, special and campaign plans and strategies to raise funds in support of the mission of OISRAN and short and long term goals established by the Board. The committee shall present and report on those plans to the Board. Approval of the Board is required for new campaigns or other efforts that are beyond OISRAN regular course of business. The following considerations and requirements should be addressed by fundraising plans.

34.3.1. Donors should be encouraged to make unrestricted gifts to allow OISRAN flexibility in accomplishing its charitable mission and goals. When restrictions are necessary and desirable, donors will be asked to make the most flexible restrictions possible while still meeting their philanthropic goals.

34.3.2. Giving clubs and societies recognition levels appropriate for OISRAN and solicitation plans may be established by the Board. Benefits and premiums may be offered for various giving levels if approved by the Board. Care must be taken to select premiums and benefits which preserve deductibility for donors, avoid Unrelated Business Taxable Income, also attract and help thank donors appropriately.

**34.4. Development of Solicitation Materials and Forms.** OISRAN will develop and use standard forms and documents for consistency and efficiency in fundraising efforts. Examples of appropriate forms include Pledge Forms, Gift Forms, Gift Agreements, and language used in thank you letters to document gifts over \$250 for tax purposes. All standard forms will be reviewed by legal counsel.

34.4.1. Case statements and solicitation materials must be carefully drafted to create a clear and enticing picture of what OISRAN is trying to accomplish without providing so much detail that excessive restrictions are created.

**34.5. Solicitation**

34.5.1. **Ethical Practices.** Every aspect of solicitation of charitable gifts must be conducted with the utmost integrity and with the charitable purposes of the OISRAN as the primary consideration. All board members staff and volunteers will be provided a copy of the Donor Bill of Rights (attached) and are required to conform to that document in all solicitation activities.

- In addition, Staff and Board members must be careful not to place the organization or themselves in the position of serving as the legal, financial, or tax advisor to a current or prospective donor. The role of the OISRAN President is to inform and assist donors as they make their charitable giving decisions. All representatives of OISRAN will exercise prudence and consider the donor's personal interests while helping to fulfill the donor's charitable objectives. All representatives of OISRAN will encourage donors to seek their own professional advice on matters relating to the proposed gift transaction. OISRAN personnel will not knowingly be a party to inflating the value of a gift above the true fair market value in order to provide a tax advantage to the donor.

34.5.2. **Confidentiality.** Except as allowed by the donors, all agreements with donors and all information concerning donors and prospective donors will be held in strict confidence by OISRAN subject to legally authorized and enforceable requests for information by government agencies and courts. All other requests for or releases of information concerning donors will be honored or allowed only if permission is obtained from the donor prior to the release of such information.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

34.5.3. **Payment of Fees.** All gifts are presumed to be made for the ultimate benefit of OISRAN and for the purpose of furthering organization's mission. In accordance with IRS regulations, donors are expected to pay any fees and expenses they incur related to their gifts. Examples of fees include required appraisals to determine the value of property, fees paid to financial advisors to determine the tax implications of a gift, or legal fees to the donor's attorney.

- OISRAN will pay for its own attorney's fees, although such expense may be deducted from the gift if disclosed to the donor before the gift is accepted.
- Fees related to the sale of donated property or stock will be deducted from the gross receipts for the sale, unless other arrangements have been made with the donor. Final approval for the organization's payment of any other fees requires authorization by the Board of Directors. The following fees are prohibited:
- Finders' fees for current or planned gifts.
- Investment or administrative fees that in any way could be construed as compensation for a gift being made to OISRAN or for its benefit.

34.5.4. **Disclosures.** The donor will be advised that it is the donor's responsibility to obtain any necessary appraisals, file appropriate tax returns, and defend against any challenges to claims for tax benefits. OISRAN will disclose the value of all premiums and benefits supplied to donors in compliance with IRS regulations. (see IRS publication 1771 or successor publications).

34.5.5. **Gift Acceptance.** OISRAN is not required to accept every gift that is offered or solicited. Care will be taken to only accept that comply with the OISRAN Gift Acceptance Policy.

**34.6. Collection of Pledges.** OISRAN may, but is not required to, exercise any legal actions available to collect unpaid enforceable pledges. Generally, OISRAN will contact donors who have not paid their pledges on the agreed upon schedule in a polite and friendly manner to ascertain whether the donor still wishes to make the contribution. Further action requires board approval. Reports may be made to

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

the board of the pledges which appear not to be collectible to determine whether these pledges should be excused or whether further action should be taken.

**34.7. Donor Recognition and Stewardship**

34.7.1. **Acknowledgement and Stewardship.** All charitable gifts will be acknowledged and substantiated in accordance with IRS regulations. (see IRS publication 1771 or successor publications).

- In addition, OISRAN will recognize and thank donors for their generosity in appropriate ways both publicly and privately, subject to the confidentiality provisions of the OISRAN Fundraising Policy and in accordance with policies adopted by the Board of Directors.

34.7.2. **Naming Policy.** The Board may approve opportunities for donors to give a minimum gift and therefore be recognized by having a particular program, physical space, fund or something similar named after them. The Board may approve naming opportunities individually or as a list of available opportunities with corresponding minimum gifts for each. Care should be taken to designate minimum amounts which maximize giving potential, but do not alienate past donors. Naming opportunities must be documented in a Gift Agreement. Unless the Gift Agreement provides otherwise, the term of any Naming Opportunity shall be for the lesser of 25 years or the life of the object, fund, or program named.

**34.8. Donor Records.** Donor records will be kept in an orderly and secure fashion which will allow for effective identification, cultivation, solicitation and stewardship of donors; trending data and other reports.   - Suggest that recent changes in US Ski and Snowboard Race Rules and OSAA Policies are reviewed to see if they relate to OISRAN Policies and Race Rules.

- Suggestions will be in writing.
- A personal presentation by the person or persons offering the rule proposal may be requested.
- All proposals to change OISRAN Policies and OISRAN Race Rules must be written and clearly referenced to the OISRAN Policies and OISRAN Race Rules. If US Ski and Snowboard or FIS rules are used as a reference, the respective references must be clearly stated.

**36. Gender Identity Participation**

**36.1. Definitions.** For the purposes of this policy, the following definitions apply:

36.1.1. Transgender refers to an individual whose gender identity does not match his or her assigned birth gender.

36.1.2. Gender identity – A person's internal sense of being male, female or some other gender, regardless of whether the individual's appearance, expression or behavior differs from that traditionally associated with the individual's sex assigned at birth. Gender identity is distinct from and often unrelated to an individual's sexual orientation.

36.1.3. Transition – The time when a person begins living as the gender with which they identify rather than the gender they were assigned at birth, which often includes changing one's first name and dressing and grooming differently. Transition may or may not also include medical and legal aspects, including taking hormones, having surgery, or changing identity documents (e.g. driver's license, Social Security record) to reflect one's gender identity.

36.1.4. Intersex – An umbrella term used for people born with reproductive or sexual anatomy and/or chromosome pattern that does not seem to fit the typical definition of male or female. Intersex may also be known as Difference of Sex Development and may not always be known at birth but may be revealed at any stage of a person's life.

36.1.5. Sexual orientation – Means a person's physical, romantic, emotional, aesthetic, or other form of attraction to others. Sexual orientation and gender identity are not the same. Although, the Oregon Legislature adopted a broader definition of "sexual orientation" for purposes of all Oregon statutes to "mean an individual's actual or perceived heterosexuality, homosexuality, bisexuality or gender identity, regardless of whether the individual's gender identity, appearance, expression or behavior differs from that traditionally associated with the individual's sex at birth."

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

36.1.6. Nonbinary (Also Non-Binary) – Preferred umbrella term for all genders other than female/male or woman/man. Not all nonbinary people identify as trans and not all trans people identify as nonbinary.

36.1.7. As used herein, "Gender-Specific" activities are those in which only one gender participates, e.g. volleyball and softball, and "Gender-Segregated" activities are those in which the same activity is offered for both female and male students, e.g. girls basketball and boys basketball.

**36.2. Participation.** For historical reasons, ski teams have typically been gender segregated. Formulating new processes to address concerns about participation regardless of a student's gender identity requires a new approach to eligibility, an approach reflected in these policies. In interpreting these policies, the OISRAN recognizes the value of ski racing programs for all students and the potential for inclusion to reduce harassment, bullying and barriers faced by certain students.

36.2.1. The OISRAN accepts the school enrollment procedures regarding gender identity that have been established at the school where the student is enrolled and the OISRAN will refer to school registration/enrollment information for determining any gender identity issues. Because of the diversity of private and public school rules that may bear on such determinations, and gender identity issues being particularly sensitive, the OISRAN will not make independent determinations and will not become involved in any disputes regarding gender identity issues.

36.2.2. Subject to Policy #36.2.1, once a transgender student has notified the OISRAN of their gender identity (as established by the policies of the school where the student is enrolled), the student shall be consistently treated as that gender for purposes of eligibility for ski teams, provided that if the student has tried out or participated on a ski team as one gender, the student may not participate during that same season on a ski team of the other gender.

36.2.3. Subject to Policy #36.2.1, once a nonbinary or intersex student has notified the OISRAN of their gender identity (as established by the policies of the school where the student is enrolled), the student shall be treated as either gender for purposes of eligibility for OISRAN ski teams, which are gender-segregated, provided that if the student has tried out or participated on an OISRAN ski team as one gender, the student may not participate during that same season on a ski team of the other gender.

### **37. OISRAN paid officials for the OISRAN State Championship events**

#### **37.1. In order to be a State Championship Paid Official, the official:**

- Must have signed an independent contractor contract with OISRAN.
- If the paid official is a Technical Delegate, they must complete the NFHS concussion course or an equivalent course during the applicable ski season.

**37.2. OISRAN Officials' Code of Ethics.** Officials at OISRAN events are participants in the educational development of high school students. As such, they must exercise a high level of self-discipline,

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

independence, and responsibility. The purpose of the OISРАН Officials Code of Ethics is to establish guidelines for ethical standards of conduct for all OISРАН State Championship paid officials.

- Officials shall not exhibit unsportsmanlike conduct at an OISРАН event. “Unsportsmanlike conduct” includes, but is not limited to, unwarranted physical contact, profane language, and/or taunting. Unwarranted physical contact initiated by an official toward a coach/player shall be considered a gross act of unsportsmanlike conduct.
- Officials shall not engage in any action which gives rise to a concern for the safety of the students due to the official’s conduct, indicates that the official cannot objectively perform the official’s duties, or otherwise is inconsistent with the Officials Code of Ethics and OISРАН Policies and Regulations.

**37.3. Procedure for Reporting ethical or conduct violations**

- A complaint against an OISРАН state meet paid official for not meeting the OISРАН requirements or for violating the OISРАН Officials Code of Ethics shall be submitted to the OISРАН Executive Director in accordance with OISРАН Policy #18.
- The OISРАН Board may suspend the official from participating in OISРАН state meets for a designated length of time, based on the reported violation.

**38. OISРАН Wax Rules:**

38.1. The intent of OISРАН wax rules is to provide fairness while minimizing costs, avoiding health hazards, and protecting the environment.

38.2. The OISРАН Board will create a list of approved glide waxes, which will be the only waxes allowed in the glide zone for all OISРАН sanctioned races. (Appendix C)

38.3. The list will reflect a move towards fluoro-free glide waxes as that change takes place. Coaches are advised not to purchase new fluoro products.

38.4. For the kick zone, all commercially available can and klistер waxes are allowed. Products for de-icing on non-wax skis will be listed on the approved glide wax list.

38.5. Any skis that have been previously waxed with a wax that is not on this list will need to be cleansed by waxing, scraping, and brushing two times with a wax on the approved list before they can be used in an OISРАН sanctioned event.

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES  
(October, 2023)

38.6. This list is a living document that can be amended by the OISRAN Board at any time. The Board will be guided by the intent of the rules.

**39. Driving to Races and On-snow Practices:** Each team will establish its own policies for when a student can drive themselves or others to or from races and on-snow practices.

**40. OISRAN Start-up Grants:** Start-up grants of up to \$500 can be awarded to new OISRAN teams, to be used for participation fees, trail passes, and ski rentals for their first year.

**41. OISRAN State Championships Policies**

**41.1 Eligibility of individuals for the State Championships is defined in OISRAN Policy #16.**

**41.2. Individual selection for the State Championships**

- If the number of racers participating in the State Championships must be limited, the total number of racers of each gender from each league entered in each race (Classic and Freestyle) at the State Championships may not exceed the League Allotments announced by the Administrative Officer no later than January 1.
  - The **League Allotments** for each gender in each league is a percentage of the total number of registered varsity racers of that gender in that league.
    - Varsity racers on full and associate teams are included in the total number of registered racers.
    - The January 1st rosters are the references for the numbers of racers.
    - Calculations of percentage to use for League Allotments
      - Divide the number of allowed participants in the state meet by the total number of registered varsity boys and girls in the state to calculate the percentage to use for the League Allotments.
  - The **League President** submits to the Chief Calculator/Race Registrar the names of the racers who fill the League Allotments for each race.
    - The League President converts League Allotments to “**Team Allotments**” (the number of racers each team may enter in each individual race at the State Championships).

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION NORDIC POLICIES

Accordingly, the following guidelines for coaches have been adopted by the OISRAN Board of Directors.
